Q1. How does rooming work?

The 5-year reunion will be held in Silliman and we will use the housing available there first—the earlier you sign up, the more likely you are to get a bed in Silliman. Given our expected numbers, some classmates will have to be housed in ‘overflow’ housing which is nearby in other colleges/halls—these suites are of similar quality. We will do our very best to accommodate your individual needs and preferences but given constraints we cannot guarantee specific rooming requests.

Q2. My friends and I want to room together—what is the process for roommate requests?

- For groups of up to 3 people, you can purchase your own individual bed and indicate in the Roommate Request boxes who you would like to room with. We will manually match your reservations and do our best to put you in the same suite—if you are choosing this option, please sign up within 48 hours of each other (otherwise matching gets quite difficult...)
- For larger groups, we highly recommend one person making the purchase for the group for the # of beds they want (when they go through registration). They can then be reimbursed by their group (though services like Venmo, QuickPay, Paypal, etc...). If you designate someone else to purchase your housing through this method, you do not need to purchase it when you go through registration.

Q3. If someone reserves a bed for me, do I still have to register for the reunion?

Yes! Registration for reunion is separate from housing so be sure to still register yourself for the reunion even if someone else purchases the suite.

Q4. What are the different suite configurations?

Suites come in all shapes and sizes—please purchase the number of beds you prefer for your group and we will do our best to put you all in one suite (or if necessary adjoining suites). Remember that allocations are done on a first come, first served basis so the earlier you make the purchase, the greater likelihood that we can accommodate your specific requests.

Q5. What if I need special accommodations?

We will do our very best to meet them—please indicate in the notes what accommodations you need and email Jessica.Woodward@yale.edu.

Q6. If I am bringing a plus 1 do I have to reserve a bed for them?

Yes, every person staying in the dorms will need a bed reservation because of occupancy requirements.
